Description :

PDF-67f63 | Bridges are some of the most fascinating structures in our landscape, and they come in all forms. From towering suspension bridges to humble stone crossings, this book visits them all in sweet, bouncing text with expository sidebars. But while bridges can be quite grand, this reminds us that their main purpose is bringing people together. This is perfect for budding architects, as well as readers ... *A Book of Bridges: Here To There and Me To You*
