Description :

PDF-d990e | Diana Hopkins lived in a white house. THE White House. World War II is in full force across the seas. It's 1943, President Roosevelt is in office, and Diana's father, Harry Hopkins, is his chief advisor. And Diana wants to be part of the war effort. After some well-intentioned missteps (her quarantine sign on her father's office door was not well-received), the President requests her help with his ... *Diana's White House Garden*
