Description :

PDF-d805b | How have humans come to terms with their basic need for food? We couldn't survive without food, yet we don't often ponder how it was that our food became available to us. Rarely do we consider that the variety & abundance of today's edibles are the result of years & years of human ingenuity. Through lively, accessible writing & detailed full-color illustrations that are brimful of humor & personal... *Food: Its Evolution Through the Ages*
