Description :

PDF-fdb32 | Grow It, Cook It is the children's cookbook that starts with the seed of a good idea. More than a cookbook, this innovative book offers a fresh approach to healthy eating by getting children involved in food right from the start. Children will learn that when they eat a carrot, they're biting into a root; salads are made up of leaves; and berries are the fruit and seeds of plants, encouraging an e... *Grow It, Cook It*
