Description :

PDF-61305 | From 1837 to 1838, thousands of Cherokee Indians were marched from their homelands in Georgia to exile in Arkansas by the same white men they has once befriended. The Cherokees journeyed through bitter cold and blazing heat, with little food or water. One out of every four died --- and with them died a culture that had existed for hundreds of years, a civilization that had existed for hundred of y... *Only the Names Remain: The Cherokees and The Trail of Tears*
