Description :

PDF-2ca2b | "If they had seen what we see, they would have judged as we judge." -- Galileo Galilei
In every age there are courageous people who break with tradition to explore new ideas and challenge accepted truths. Galileo Galilei was just such a man--a genius--and the first to turn the telescope to the skies to map the heavens. In doing so, he offered objective evidence that the earth was not the fixed cent... *Starry Messenger: Galileo Galilei*
