Description :

PDF-668f3 | With little time, less money, and limited kitchen equipment, the culinary life of a student is too often a boring story of popcorn and EasyMac. It's true, there are other things to plan and think about... But with this book, you'll realize it's not so hard to cook up good food in a tiny space. With minimal equipment (including a toaster oven or a microwave and a wise selection of utensils)... *Student's Cookbook: An Illustrated Guide To Everyday Essentials*
