Description :

PDF-69eda | As we look back to the beginnings of the space race, 2009 is also the year for looking forward to humankind's next step toward the stars. In the spirit of books that once imagined colonies on the moon, Patrick O'Brien has created a unique look at your first trip to Mars. Using the most upto- date designs and theories of what it will take to establish a base on Mars, you are off on an incredible jo... *You Are the First Kid on Mars*
