Description :

PDF-1e9eb | This new addition to Scholastic's popular history series presents a child's eye view of a fascinating Native American culture. The Indians who lived along the northern Pacific coast were different from any other Native Americans. They were fishermen, wood carvers, and builders of totem poles; they were a hierarchical society with noblemen, commoners, and slaves in which material wealth was greatly... *If You Lived With The Indians Of The Northwest Coast*
